

2007-2008 Highland Tech School Goals

Character Development:

1. Increase use of effective goal setting techniques.

Academics:

1. Increase contextual learning experiences across all content areas.
2. Increase student performance in our lowest areas of performance (Numeric Literacy) while supporting gains in all other content areas.

Community Building:

1. Improve public perception of HTH.

Accountability:

1. Increase stakeholder fidelity to the model.
