COMMITTEE REPORT OUT/CURRENT GOALS

Due to lack of time, we elected to simply discuss the committees, and where each one was at with goals. At our April meeting, we will be self-assessing, and discussing how committees did during the year. How we will do committees next year? Should they be the same categories? What will be the framework? In this way, we will be able to set our structure for the upcoming school year and stakeholder meetings.

HTH SPRING PICNIC and TOWN MEETING

This has been tentatively set for Wednesday, May 14th. We will be holding a picnic here at the school, and having a small town meeting on goals for next year.
